

Edmonton Weavers' Guild Guide to Accessing the Guild

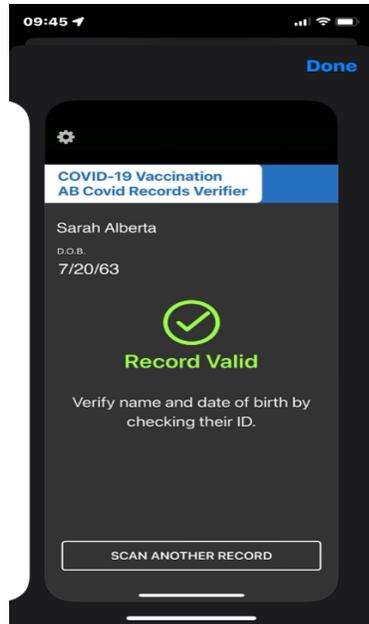

- COVID-19 Pandemic – Effective 18 OCT 2021

Strathcona Centre Community League

1. Download your Alberta Proof of COVID-19 Vaccination (print and keep on your person or save to your mobile phone):
 - a. <https://covidrecords.alberta.ca/home>
2. Group Leaders – please install the AB Covid Records Verifier app onto your mobile phone from the applicable app store (Apple or Google - no cost). The app does not store any personal information.
 - a. AB Covid Records Verifier app is the Government of Alberta's official app to check vaccine records by scanning a QR code (a kind of bar code). The app will verify if the proof of vaccination is authentic. If valid, the app will display a green checkmark and the person's legal name and date of birth (see image (b) below). Camera access is required to scan QR codes. The app does not save any information on the device and it does not collect any usage analytics.
 - b. Use the app to verify group members entering the Guild by scanning the QR code supplied by the EWG member or member of the public EACH time the member enters the Guild. The QR code looks like this (it's the square black blotchy thing on the right of the image on the right):

- d. Launch the app and use your phone's camera to scan the QR code of the vaccine record you are verifying (either on the individual's mobile phone OR from a printed document). The app will read the code and will display one of two results (valid or not valid).

- e.
 - f. Verify the name and date of birth by checking picture ID (ensures the QR code belongs to the individual you are verifying)
 - g. **NOTE: The Strathcona Centre Community League ONLY accepts proof of vaccination; waivers from physicians or negative test results or partial vaccination are NOT accepted.**
3. Complete the online COVID Health Screening Form before coming to the Guild. If you are sick and/or exhibiting any symptoms of COVID-19 or any other illness (influenza, common cold, etc.), please do not come to the Guild.
 - a. [Covid-19 Daily Health Check List and Access Rules - Edmonton Weavers' Guild](#)
 4. Sign Strathcona Centre Community League Waiver (once only and leave the copy with the SCCL Manager Scott). An electronic copy is embedded here for information purposes only; hard copies are available at the Guild for signing. Group Leaders are required to track who has signed a waiver for their own group members.

SCCL Restrictions
Exemption Program

- a.
5. Upon arrival at the Guild Hall, please sanitize your hands prior to putting on a face mask. Face masks must be worn continuously while at the Guild unless drinking or eating (please maintain at least 2m distance between others). Food/drink should be individually prepared for your own consumption; please DO NOT share food/drink with others.
 6. Show proof of vaccination to your Group Leader (second person to arrive will be required to verify vaccine status of the first person to arrive).
 7. Disinfect area (tables, light switches, door knobs, etc.) including any equipment prior to use. This is to help you protect yourself.
 8. Group Leaders: please maintain a list of attendees at each meeting
 9. Maintain physical distancing of 2m during group meetings/activities. Each room will be different as to the maximum numbers of individuals as will the type of equipment limit the numbers of individuals.

10. When the Group meeting is over, Group Leaders please ensure attendees disinfect high touch surfaces and equipment prior to leaving the facility.
11. **Washrooms:** Please disinfect sink/counters prior as well as after use.
12. Prior to leaving the Guild, please clean your hands using the supplied alcohol-based hand rub, remove your face mask and again sanitize your hands (this step is intended to ensure that any contaminants that may be transmitted from your mask to your hands during removal are disinfected).
